

RPC RULE 2.2
(Deleted)

Washington Comment

[1] Former Washington RPC 2.2 governed lawyers acting as intermediaries between clients. When representing multiple clients in the same matter, a lawyer must comply with Rule 1.7. A number of special considerations apply when a lawyer acts as an intermediary and represents multiple clients in the same matter. See Comments [29] - [33] to Rule 1.7.

[Amended effective September 1, 2006.]
